## INDEPENDENT AUDITORS' REPORT

The Board of Directors  
HOUSE OF RUTH  
Washington, DC

### ***Report on the Financial Statements***

We have audited the accompanying financial statements of House of Ruth (a nonprofit organization), which comprise the statement of financial position as of June 30, 2014 and 2013, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

MEMBER OF AMERICAN INSTITUTE OF CPA'S AND AICPA DIVISION FOR CPA FIRMS

### **Opinion**

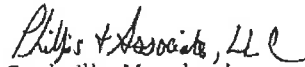

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of House of Ruth as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Other Matters**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated December 11, 2014, on our consideration of House of Ruth's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering House of Ruth's internal control over financial reporting and compliance.

HOUSE OF RUTH  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 2014 AND 2013

1. ORGANIZATION AND PURPOSE

The HOUSE OF RUTH (the Organization) is organized exclusively for charitable purposes and, more specifically, to provide emergency shelter, transitional and permanent housing, and child development and support services for women and their children who are homeless and/or abused.

House of Ruth works toward achieving its mission through the following program areas:

Housing and Services for Women

There are five housing programs that focus on helping the women build the capabilities and skills to cope in a healthy way, managing their mental illness and avoiding addiction. The Organization engages these women, helps them connect to other resources in the community and encourages them to participate in more extensive services.

Housing and Services for Families

House of Ruth serves families at seven House of Ruth residences. The families receive many services organized to meet the needs of each family member. The mothers pursue an active schedule of recovery work, positive child-rearing and learning skills of living independently. The children attend school or day care and receive extensive counseling and mentoring.

Community-Based Services

House of Ruth has a Child and Family Development Center for the children living at House of Ruth residences and homeless children living in the community. The children receive the specialized help they need to overcome developmental delays and enter school ready to learn. The Domestic Violence Support Center provides outreach and counseling to women and their children who are dealing with domestic violence.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Organization prepares its financial statements on the accrual basis of accounting. Consequently, revenue is recognized when earned and expenses when obligations are incurred.

Cash and Cash Equivalents

For financial statement purposes, the Organization considers cash and cash equivalents to include cash in banks and liquid investments with an original maturity of three months or less.

Resident Deposits

The Organization maintains a separate cash account held on behalf of the residents in the amount of \$67,654 and \$93,641 at June 30, 2014 and 2013, respectively. These funds are exclusively for the residents and are not available to pay the Organization's expenses. Funds will be maintained by the Organization until the residents withdraw their deposits upon departure from the programs.

Grants and Contracts Receivable

Receivables are stated at net realizable value. Accounts are individually analyzed for collectability. Write-off of accounts receivable occurs when all collection efforts have been exhausted or certain conditions or forgiveness have been reached. All receivables are deemed collectible by management at June 30, 2014 and 2013.

HOUSE OF RUTH  
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)  
JUNE 30, 2014 AND 2013

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment

Acquisitions of property and equipment with a cost greater than \$2,000 are capitalized and depreciated on the straight-line basis over the estimated useful life of the related assets (three to forty years). Leasehold improvements are amortized on a straight-line basis over the shorter of remaining life of the lease or estimated useful life.

Net Assets

The Organization reports its net assets as unrestricted, temporarily restricted or permanently restricted based on the donor's intent. The purposes of each class of net assets are as follows:

Unrestricted - Represents net assets available for general operations.

Unrestricted - Board Designated - Represents net assets designated by the Board.

Temporarily Restricted - Includes amounts with specific donor imposed purposes and/or time restrictions.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

Contributions

The Organization records revenue received as unrestricted or temporarily restricted depending on the existence and/or nature of any donor restrictions. Temporarily restricted net assets become unrestricted when the time restrictions expire or the funds are used for their restricted purpose, and are then reported in the statements of activities as net assets released from restrictions. However, the Organization recognizes restricted revenue whose restrictions are satisfied in the same reporting period as unrestricted revenue.

Government Grants and Cooperative Agreements

Government grants and cooperative agreements are recorded as revenue when earned. Revenue is earned when eligible expenditures, as defined in each grant or agreement, are made. Funds received but not earned are shown as deferred revenue. Expenditures under government grants and agreements are subject to review by the granting authority. To the extent, if any, that such a review reduces expenditures allowable under these grants and agreements, the Organization will record such disallowance at the time the final assessment is made.

In-Kind Contributions

Donated facilities, goods and services are recorded at fair market value at the date of donation. Donated services are recognized in the financial statements at their fair value if the services require specialized skills and the services would typically need to be purchased if not donated. During the years ended June 30, 2014 and 2013, the Organization received in-kind legal services of \$0 and \$52,872, respectively. Additionally the Organization received the services of volunteers, and the fair value of these services is not recognized in the accompanying financial statements since they do not meet the criteria for recognition under generally accepted accounting principles.

HOUSE OF RUTH  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 2014 AND 2013

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Allocation of Expenses

The Organization's expenses have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income Tax Status

The Organization is exempt from the payment of Federal income taxes on their exempt activities under 501(c)(3) of the Internal Revenue Code and has been designated by the Internal Revenue Service as "publicly supported" organization under Section 509(a) of the Code. The Organization adopted the provisions of FASB ASC 740, Accounting for Uncertainty in Income Taxes, which requires that a tax position be recognized on a 'more-likely-than-not' threshold. This applies to positions taken or expected to be taken in a tax return. The implementation of FASB ASC 740 had no impact on the Organization's audited financial statements. The Organization does not believe their financial statements include (or reflect) any uncertain tax positions. However, fiscal years 2011 and later remain subject to examination by the IRS and state authorities.

3. CONCENTRATION OF CREDIT RISK

Financial instruments, which subject the Organization to concentrations of credit risk, consist of demand deposit and savings accounts with a financial institution. Deposits held in noninterest-bearing transaction accounts are aggregated with any interest-bearing deposits the owner may hold in the same ownership category, and the combined total is insured up to \$250,000 by FDIC. At June 30, 2014, House of Ruth had \$1,035,175 in one bank over the FDIC insured limit of \$250,000. All cash balances were fully insured as of June 30, 2013.

The Organization held various certificates of deposit with maturity dates of six months or less, in the aggregate amount of \$905,790 and \$1,418,889 at June 30, 2014 and 2013, respectively. These certificates of deposit were fully guaranteed through the members of CDARS network.

4. CONTRIBUTIONS RECEIVABLE

Contributions receivable represent unconditional promises to give and are stated at their net realizable value. The gross contributions receivable accounts as June 30, 2014 and 2013 was \$224,805 and \$321,584, respectively. The allowance for doubtful accounts as of June 30, 2014 and 2013 was \$29,225 and \$60,457, respectively. The contributions receivable are expected to be collected within one year.

HOUSE OF RUTH  
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)  
JUNE 30, 2014 AND 2013

5. PROPERTY AND EQUIPMENT

Property and equipment consists of the following at June 30:

	<u>2014</u>	<u>2013</u>
Building and improvements	\$7,211,479	\$7,142,644
Land	763,360	763,360

Total	<u>\$5,611,354</u>	<u>\$5,819,023</u>

Depreciation expense for the years ended June 30, 2014 and 2013 was \$276,505 and \$287,216, respectively.

6. COMMITMENTS

The Organization leases offices and equipment in various locations around the District of Columbia under both non-cancelable operating leases with terms in excess of one year and cancelable operating leases. Rental expense related to these leases totaled \$135,170 and \$127,143 for the years ended June 30, 2014 and 2013, respectively. Future minimum lease payments for all operating leases are as follows:

<u>Year Ending June 30,</u>	
2015	\$ 59,574
2016	61,002
2017	59,508
2018	<u>38,895</u>
	<u>\$ 218,979</u>

7. RETIREMENT PLAN

The Organization maintains a non-contributory Simplified Employee Pension plan. Individual retirement accounts have been established whereby eligible employees open individual retirement accounts and select the investment vehicles. Eligible employees are those at least 21 years of age who have completed at least three years of service. The Organization contributed six percent of each participant's compensation for fiscal years 2014 and 2013. Contributions to the Plan for the years ended June 30, 2014 and 2013 were \$178,019 and \$177,958, respectively.

HOUSE OF RUTH  
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)  
JUNE 30, 2014 AND 2013

8. SUBSEQUENT EVENTS

In accordance with FASB ASC 855, the Organization evaluated subsequent events through December 11, 2014, the date these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

## INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Directors  
HOUSE OF RUTH  
Washington, DC

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of House of Ruth (a nonprofit organization), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 11, 2014.

### ***Internal Control over Financial Reporting***

In planning and performing our audit of the financial statements, we considered House of Ruth's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of House of Ruth's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

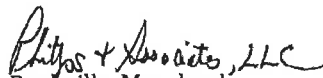

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS (CONTINUED)

***Compliance and Other Matters***

As part of obtaining reasonable assurance about whether House of Ruth's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

***Purpose of this Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133 AND ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

The Board of Directors  
HOUSE OF RUTH  
Washington, DC

### ***Report on Compliance for Each Major Federal Program***

We have audited House of Ruth's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of House of Ruth's major federal programs for the year ended June 30, 2014. House of Ruth's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

### ***Management's Responsibility***

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on compliance for each of House of Ruth's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about House of Ruth's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of House of Ruth's compliance.

ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY  
OMB CIRCULAR A-133 AND ON SCHEDULE OF  
EXPENDITURES OF FEDERAL AWARDS (CONTINUED)

***Opinion on Each Major Federal Program***

In our opinion, House of Ruth complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2014.

***Report on Internal Control over Compliance***

Management of House of Ruth is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered House of Ruth's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of House of Ruth's internal control over compliance.

*A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.*

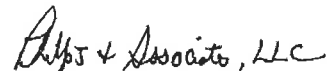

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

***Report on Schedule of Expenditures of Federal Awards Required by OMB Circular A-133***

We have audited the financial statements of House of Ruth as of and for the year ended June 30, 2014, and have issued our report thereon dated December 11, 2014, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
