## INDEPENDENT AUDITORS' REPORT

The Board of Directors  
HOUSE OF RUTH  
Washington, DC

### ***Opinion***

We have audited the accompanying consolidated financial statements of The House of Ruth (a nonprofit organization), which comprise the consolidated statement of financial position as of June 30, 2022 and 2021, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of House of Ruth as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the consolidated financial statements section of our report.

We are required to be independent of House of Ruth and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about House of Ruth's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

## ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of House of Ruth's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about House of Ruth's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### ***Other Matters***

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated April 19, 2023 on our consideration of House of Ruth's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the House of Ruth's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering House of Ruth's internal control over financial reporting and compliance.

HOUSE OF RUTH AND SUBSIDIARY  
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)  
JUNE 30, 2022 AND 2021

**1. ORGANIZATION AND PURPOSE**

The HOUSE OF RUTH (the Organization) is organized exclusively for charitable purposes and, more specifically, to provide emergency shelter, transitional and permanent housing, and child development and support services for women and their children who are homeless and/or abused.

The House of Ruth works toward achieving its mission through the following program areas:

*Housing and Services for Women*

There are seven housing programs that focus on helping the women build the capabilities and skills to cope in a healthy way, managing their mental illness and avoiding addiction. The Organization engages these women, helps them connect to other resources in the community and encourages them to participate in more extensive services.

*Housing and Services for Families*

There are six housing programs that focus on helping the families. The families receive many services organized to meet the needs of each family member. The mothers pursue an active schedule of recovery work, positive child-rearing and learning skills of living independently. The children attend school or day care and receive extensive counseling and mentoring.

*Community-Based Services*

The House of Ruth has a Child and Family Development Center for the children living at House of Ruth residences and homeless children living in the community. The children receive the specialized help they need to overcome developmental delays and enter school ready to learn. The Domestic Violence Support Center provides outreach and counseling to survivors of domestic violence.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The Organization prepares its consolidated financial statements on the accrual basis of accounting. Consequently, revenue is recognized when earned and expenses when obligations are incurred.

***Principles of Consolidation***

The consolidated financial statements include the accounts of The House of Ruth, and Kidspace, Inc. All material inter-company transactions and accounts have been eliminated.

Except when referred to separately, all entities are collectively referred to as “The House of Ruth” throughout the accompanying consolidated financial statements and related notes.

***Cash and Cash Equivalents***

For consolidated financial statement purposes, the Organization considers cash and cash equivalents to include cash in banks and liquid investments with an original maturity of three months or less.

HOUSE OF RUTH AND SUBSIDIARY  
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)  
JUNE 30, 2022 AND 2021

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

***Restricted Cash***

THOR has restricted cash that is available for immediate use. Restricted cash includes amounts in a cash account restricted to be spent on a capital construction campaign. As of June 30, 2022 and 2021, the balance of restricted cash was \$1,703,295 and \$2,908,330, respectively.

***Resident Deposits***

The Organization maintains a separate cash account held on behalf of the residents in the amount of \$77,755 and \$53,905 at June 30, 2022 and 2021, respectively. These funds are exclusively for the residents and are not available to pay the Organization's expenses. Funds will be maintained by the Organization until the residents withdraw their deposits upon departure from the programs.

***Grants and Contracts Receivable***

Receivables are stated at net realizable value. Accounts are individually analyzed for collectability. Write-off of accounts receivable occurs when all collection efforts have been exhausted or certain conditions or forgiveness have been reached. All receivables are deemed collectible by management at June 30, 2022 and 2021.

***Property and Equipment***

Acquisitions of property and equipment with a cost greater than \$2,000 are capitalized and depreciated on the straight-line basis over the estimated useful life of the related assets (three to forty years). Leasehold improvements are amortized on a straight-line basis over the shorter of remaining life of the lease or estimated useful life.

***Net Assets***

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

Without donor restrictions – Net assets that are not subject to donor-imposed restrictions.

With donor restrictions – Net assets subject to donor-imposed restrictions that expire through the passage of time or can be removed by actions pursuant to those restrictions. Other donor-imposed restrictions may be perpetual in nature.

***Estimates***

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

***Revenue Recognition***

***Contributions***

The Organization records revenue received as unrestricted or restricted depending on the existence and/or nature of any donor restrictions. Restricted net assets become unrestricted when the time restrictions expire or the funds are used for their restricted purpose and are then reported in the statements of activities as net assets released from restrictions. However, the Organization recognizes restricted revenue whose restrictions are satisfied in the same reporting period as unrestricted revenue.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)  
JUNE 30, 2022 AND 2021

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

*Government Grants and Cooperative Agreements*

Government grants and cooperative agreements are recorded as revenue when earned. Revenue is earned when eligible expenditures, as defined in each grant or agreement, are made. Funds received but not earned are shown as deferred revenue. Expenditures under government grants and agreements are subject to review by the granting authority. To the extent, if any, that such a review reduces expenditures allowable under these grants and agreements, the Organization will record such disallowance at the time the final assessment is made.

*In-Kind Contributions*

Donated facilities, securities, goods and services are recorded at fair market value at the date of donation. Donated services are recognized in the consolidated financial statements at their fair value if the services require specialized skills and the services would typically need to be purchased if not donated. During the year ended June 30, 2022, the Organization received donated security contributions. The Organization received the services of volunteers, and the fair value of these services is not recognized in the accompanying consolidated financial statements since they do not meet the criteria for recognition under generally accepted accounting principles.

*Functional Allocation of Expenses*

The Organization's expenses have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

*Income Tax Status*

The Organization is exempt from the payment of Federal income taxes on their exempt activities under 501(c)(3) of the Internal Revenue Code and has been designated by the Internal Revenue Service as "publicly supported" organization under Section 509(a) of the Code. The Organization adopted the provisions of FASB ASC 740, Accounting for Uncertainty in Income Taxes, which requires that a tax position be recognized on a 'more-likely-than-not' threshold. This applies to positions taken or expected to be taken in a tax return. The implementation of FASB ASC 740 had no impact on the Organization's audited consolidated financial statements. The Organization does not believe their consolidated financial statements include (or reflect) any uncertain tax positions. However, fiscal years 2017 and later remain subject to examination by the IRS and state authorities.

*Recently Issued Accounting Standards*

In February 2016, the FASB issued ASU 2016-02, Leases (Topic 842). ASU 2016-02 requires a lessee to record, for all leases with a lease term of more than 12 months, an asset representing its right to use the underlying asset for the lease term and a liability to make lease payments. For leases with a lease term of 12 months or less, a practical expedient is available whereby a lessee may elect, by class of underlying asset, not to recognize a right-of-use asset or lease liability. A lessee making this accounting policy election would recognize lease expense over the term of the lease, generally using the straight-line method. The guidance is effective for fiscal years beginning after December 15, 2021. Early adoption is permitted. The House of Ruth is evaluating the effect that adoption of ASU 2016- 02 will have on its financial statements.

**3. LIQUIDITY AND AVAILABILITY**

As of June 30, 2022, the House of Ruth’s liquidity and financial resources available within one year for general expenditure, such as operating expenses, were as follows:

Financial assets at year-end:

Cash and cash equivalents	\$ 2,953,371
Receivables	<u>1,835,347</u>
Total financial assets	<u>\$ 4,788,718</u>
Less: net assets with restrictions not available (within one year)	<u>(737,757)</u>
Financial assets available to meet general expenditures over the next year	<u>\$ 4,050,961</u>

**4. CONCENTRATION OF CREDIT RISK**

Financial instruments, which subject the Organization to concentrations of credit risk, consist of demand deposit and savings accounts with a financial institution. Deposits held in noninterest-bearing transaction accounts are aggregated with any interest-bearing deposits the owner may hold in the same ownership category, and the combined total is insured up to \$250,000 by FDIC. At June 30, 2022, uninsured balances were \$2,880,238 and \$5,430,916, respectively.

The Organization held investments during the year and these investments, from time to time, exceed insurable limits under Securities Investor Protection Corporation (SIPC) As of June 30, 2022 and 2021, cash or cash equivalent balances exceeded federal SIPC insured limits by \$1,098,436 and \$0.

**5. PROPERTY AND EQUIPMENT**

Property and equipment consists of the following at June 30:

Total property and equipment, net	<u>\$ 15,922,061</u>	<u>\$ 12,716,782</u>

Depreciation expense for the years ended June 30, 2022 and 2021 was \$674,261 and \$364,115, respectively.

**6. COMMITMENTS**

The Organization leases offices and equipment in various locations around the District of Columbia under both non-cancelable operating leases with terms in excess of one year and cancelable operating leases. Rental expense related to these leases totaled \$1,020,517 and \$1,131,589, for the years ended June 30, 2022 and 2021, respectively. In addition, The House of Ruth leases property to a related entity "Kidspac, Inc." The commencement date was January 1, 2020 and ending on December 31, 2048.

Future minimum lease payments for all operating leases are as follows:

<u>Year Ending June 30,</u>	
2023	\$ 83,453

Thereafter	<u>7,439,000</u>
Total	<u>\$ 8,233,458</u>

**7. RETIREMENT PLAN**

The Organization maintains a non-contributory Simplified Employee Pension plan. Individual retirement accounts have been established whereby eligible employees open individual retirement accounts and select the investment vehicles. Eligible employees are those at least 21 years of age who have completed at least three years of service. The Organization contributed six percent of each participant's compensation for fiscal years 2022 and 2021. Contributions to the Plan for the years ended June 30, 2022 and 2021 were \$175,180 and \$167,630, respectively.

**8. CAPITAL CONSTRUCTION CAMPAIGN**

During February 2018, the Organization began a capital campaign to demolish two existing buildings and construct one new building during the winter of 2019. The building was complete and put into service in November of 2020, and as of June 30, 2021, the Organization has spent \$8,072,147 in construction costs. The building is being depreciated in accordance with generally accepted accounting principles.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)  
JUNE 30, 2022 AND 2021

**9. NEW MARKETS TAX CREDIT FINANCING**

In December 2018, the Organization entered into a debt transaction to access additional funds through the New Markets Tax Credit (NMTC) Program. These funds were used towards the construction of a childcare facility. The NMTC Program permits taxpayers to claim federal tax credits for making Qualified Equity Investments (QEI) in a designated Community Development Entity (CDE). The CDE must use substantially all of the proceeds to make Qualified Low-Income Community Investments (QLICIs) to Qualified Active Low-Income Community Businesses (QALICB), as defined by Section 45D of the Internal Revenue Code. The tax credits are claimed over a seven year period and equate to 39% of the QEI.

To facilitate the NMTC transaction, the Organization created a special purpose entity called Kidspace Inc. (Kidspace), a designated QALICB, as the entity to receive NMTC incentivized financing. The Organization made an initial equity investment in Kidspace in the amount of \$884,720.

The Organization made a \$4,804,610 leverage loan to Twain Investment Fund 334, LLC (TIF 334, LLC). TIF 334, LLC used these proceeds, along with an additional \$1,761,390 of raised capital, to make a \$6,566,000 QEI in City First Capital 55, LLC, a CDE. City First Capital 55, LLC then loaned these funds to Kidspace in the form of two notes.

The first note payable (QLICI Loan A) has a balance of \$4,804,610 as of June 30, 2022 and bears interest at 1.186% per annum. The note matures on December 31, 2048. The note requires quarterly interest only payments through December 21, 2025 at which time the note requires quarterly payments of principal and interest through the term of the note.

The second note payable (QLICI Loan B) has a balance of \$1,761,390 as of June 30, 2022 and bears interest at 1.186% per annum. The note matures on December 31, 2048. The note requires quarterly interest only payments through December 21, 2025 at which time the note requires quarterly payments of principal and interest through the term of the note.

Other assets and long-term liabilities related to the NMTC financing reflected on the consolidated statements of financial position as of June 30, 2022 and 2021 are as follows:

	2022	2021
Other Assets:		
Note Receivable – Twain IF 334, LLC	\$ 4,804,610	\$ 4,804,610
Total Other Assets	\$ 4,804,610	\$ 4,804,610

Interest income earned from the loan receivable with TIF 334, LLC related to the NMTC financing for the years ended June 30, 2022 and 2021 was as follows:

	2022	2021
Interest Income	\$ 48,046	\$ 48,046

**9. NEW MARKETS TAX CREDIT FINANCING (CONTINUED)**

Long-term liabilities:

Note Payable – QLICI Note A	\$ 4,804,610	\$ 4,804,610
Note Payable – QLICI Note B	<u>1,761,390</u>	<u>1,761,390</u>
Total Long-Term Liabilities	<u>\$ 6,566,000</u>	<u>\$ 6,566,000</u>

Interest expense related to this note for the years ended June 30, 2022 and 2021 was \$77,873 and \$77,873, respectively.

**10. NOTES PAYABLE**

On December 19, 2018, the Organization received an interest-free loan from the Reinvestment Fund, Inc. in the amount of \$500,000. The loan is to fund the development of the new childcare facility in Washington, DC (Ward 7). The Organization must repay the Foundation any portion of the loan amount that is used other than the designated purpose. The entire loan amount shall be forgiven on or before December 31, 2023 through written notice from the Foundation if certain conditions are met. If the conditions are not met by December 31, 2023, then the Organization must repay the full loan amount to the Foundation by that date.

Long-term liabilities:

	<u>2022</u>	<u>2021</u>
Note Payable – Reinvestment Fund, Inc.	<u>\$ 200,000</u>	<u>\$ 500,000</u>

**11. LOAN PAYABLE – PAYCHECK PROTECTION PROGRAM**

On May 18, 2020, the Organization received loan proceeds in the amount of approximately \$874,415 under the Paycheck Protection Program (“PPP”) with First National Bank. The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act (“CARES Act” enacted March 27, 2020), provides for loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying business. The loans and accrued interest are forgivable after eight or twenty-four weeks, assuming the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels. The amount of loan forgiveness will be reduced if the borrower terminates employees or reduces salaries during the covered period. The unforgiven portion of the PPP loan is payable over two years at a fixed interest rate of 1%.

On August 31, 2021, The House of Ruth received approval from First National Bank of Pennsylvania and the Small Business Administration (SBA) that the Paycheck Protection Program Loan, in the amount of \$874,415 dated May 18, 2020, had been forgiven in its entirety.

**12. UNCERTAINTIES**

On March 11, 2020, the World Health Organization pronounced the coronavirus (COVID-19) outbreak a pandemic. Citizens and the economies of the United States and other countries have been significantly impacted by the pandemic. The duration and impact remain unknown, but so far have been expansive. While it is premature to accurately predict how the coronavirus will ultimately affect The House of Ruth's operations because the disease's severity and duration remain uncertain. Our opinion is not modified with respect to this matter and no pandemic implications are accounted for in these financial statements.

**13. SUBSEQUENT EVENTS**

In accordance with FASB ASC 855, the Organization evaluated subsequent events through April 19, 2023, the date these consolidated financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

## INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Directors  
HOUSE OF RUTH  
Washington, DC

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of House of Ruth (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated April 19, 2023.

### ***Internal Control over Financial Reporting***

In planning and performing our audit of the consolidated financial statements, we considered House of Ruth's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of House of Ruth's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS (CONTINUED)

***Compliance and Other Matters***

As part of obtaining reasonable assurance about whether House of Ruth's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

***Purpose of this Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

The Board of Directors  
HOUSE OF RUTH  
Washington, DC

### ***Report on Compliance for Each Major Federal Program***

We have audited House of Ruth's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of House of Ruth's major federal programs for the year ended June 30, 2022. House of Ruth's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

### ***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on compliance for each of House of Ruth's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about House of Ruth's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of House of Ruth's compliance.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND  
ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY  
THE UNIFORM GUIDANCE (CONTINUED)

***Opinion on Each Major Federal Program***

In our opinion, House of Ruth complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

***Report on Internal Control over Compliance***

Management of House of Ruth is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered House of Ruth's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of House of Ruth's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

***Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance***

We have audited the consolidated financial statements of House of Ruth as of and for the year ended June 30, 2022, and have issued our report thereon dated April 19, 2023, which contained an unmodified opinion on those consolidated financial statements. Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose
